

POLICY NO. 4.19

Section: Municipal Property & Management
Policy: Stray dogs/cats/animals running at large

Purpose

This policy is intended to assist staff in dealing with reports of stray animals.

Policy

The RM of Dauphin current by-laws do not have provision for the care/disposal of stray animals that are reported to the Municipal Office.

If and when any member of the public or RM of Dauphin resident reports of a stray animal within the municipality, and/or if it is transported to a Veterinary Clinic or Parkland Humane Society, the municipality will not accept any financial obligations or responsibilities of the disposal or boarding of stray animals.
